> LOUISVILLE FOR PRESIDENT, Millard Fillmore,

FOR VICE PRESIDENT. Andrew Jackson Donelson,

STATE ELECTORAL TICKET. FOR THE STATE AT LARGE, ROGIR W. HANSON FRANCIS M. BRISTOW.

The Daily Journal has much the ble the circulation in the country of any other daily paper printed in Louisville and the Weekly Journal has much more than double the circulation of all the other weekly papers in Louisville put political freedom to death-we must do all is or be charged with favoring a war of reli

strife appears to be waxing more and more expenditures continual v incurred by th test intelligence from Oregon, the Indians ha by a multary ruse drawn the regulars and vo teers to the east side of the Cascade Mou tains and sudden y pre-ip tated themselves with nost fearful havor upon the unguarded and defenseless settleme to on the west. The desola tion wought, especia ; at the Cascades, every balling in ashes, captured and destroye atra v eer companies beside, and when the

ewhere, and the late elaborate letter of Gen Accord g to hm, the people of Oregon and Legislature of the Territory have become at an estimate capeuse to the National Treasu tin ed, threate s to re ew in the valleys of and abs rd as 1 1 , is obviou y b the mask f heir hot pureu t of this blood-thirs'y and fraud

can fi d opportunity to protect the interests of lous proceedings, and in administering an exem-plary rebuke to the scandalous actors in them. But we have no thought that the Admini tion will ever find such an opportunity, or tha citizens to try their fortunes in that prees it will improve it, if it should. We expect no nently first city. We are gra' fird to find the such sacrifice to du'y from such an Administration. And we do not know of anybody | Louise hans who left here about a year ago

who does.

We find the following in our exchanges under the head of "Significant's:

Hr Backanan error chal after rece to belie to the purpose of opening to does his but meas in Chicago, and has writen to Lou sville to leave a warehouse for a term of years, for the purpose of opening an extension of the purpose of opening to the purpose of opening to the purpose opening to the pur

"Ten Cent Jimmy" has had his eye upon the Presidency for lo these many years. With this sole aspiration animating his heart, be has, for forty years, played all sorts of mountebark tricks upon the political stage. He has shifted with consummate dexterity from one party to another, and from one policy to another. He has grown gray and attained nearly the ripe old age of "three score and ten", ardeatly contemplating this great object of his ambition. "Ten Cent Jimmy" is already "too old to bold trumps," and he will go down to the grave with the great wish of his heart unsatisfied. He can never be President until the Old Line Democracy forget his Federalism which dictated the declaration that if he had adrop of Democracy forget his Federalism which dictated the declaration that if he had adrop of Democracy forget his Federalism which dictated

13 It is charged against the members of tha They make wa no in era. up potentate. They are resolved that although he worship of God according to the dictates their own consciences, they will not, by their and friends by publicly exposing the matter.

from the same source. We saw no reason to freedom both in religion and politics out of timable lady for what at worst was but an act tors of the L. & N. R. R. Company. We copy the souls of men wherever it hears sway. The of weak vanity. Roman Catholic leaders in this country but The publishing of that piece of poetry in our columns as original is nothing that we need but at all, what is openly arowed by the Roman Catholics of Roman Catholic countries, that columns as original is nothing that we need be hey regard themselves as owing supreme alle- have written;, seemed a sufficient guarantee nce. And If all our American Catholice it is of course not expected of us to be familia groud avow it, even then the American party. the last few years. There is probably not edged serfs of the Pape of Rome, would be very beautiful pactry had been sent to him. of religions. If all our American Catholi proclaim to the world, as the very more than once seen preces of poetry, first put blest of them now do, that the Pope is the oper a thority to decide for them as to the arty, in case it should refuse to note for them one, dishonest enough to claim the authorshi m, precisely as it now is, with instigating a office men who regard their cath of a regiance make, we shall be truly gratified to see it. It to the United States as subordinate to their alleance to a foreign power, we must support for
